PROPOSAL NO.: LAFCO 2991

HEARING DATE: May 16, 2007

RESOLUTION NO. 2959

A RESOLUTION OF THE LOCAL AGENCY FORMATION COMMISSION OF THE COUNTY OF SAN BERNARDINO MAKING DETERMINATIONS ON LAFCO 2991; APPROVING THE REORGANIZATION TO INCLUDE CONSOLIDATION OF THE BALDY MESA WATER DISTRICT AND VICTOR VALLEY WATER DISTRICT, WITH CONSOLIDATED DISTRICT TO BE KNOWN AS THE VICTORVILLE WATER DISTRICT, ESTABLISHMENT OF VICTORVILLE WATER DISTRICT AS A SUBSIDIARY DISTRICT OF THE CITY OF VICTORVILLE, FORMATION OF IMPROVEMENT DISTRICT NO. 1 (VICTOR VALLEY WATER DISTRICT BOUNDARIES) AND IMPROVEMENT DISTRICT NO. 2 (BALDY MESA WATER DISTRICT BOUNDARIES), AND ANNEXATIONS TO VICTORVILLE WATER DISTRICT AND IMPROVEMENT DISTRICT NO. 1, AS MODIFIED.

The primary reorganization area, as modified, includes the consolidation of the existing boundaries of the Baldy Mesa Water District (17,446+/- acres) and the existing boundaries of the Victor Valley Water District (36,906+/- acres) into a single special district, to be known as the Victorville Water District, and establishment as a subsidiary district of the City of Victorville. This reorganization also includes the formation of Improvement District No. 1 (Victor Valley Water District boundaries), Improvement District No. 2 (Baldy Mesa Water District boundaries) and annexation of five island areas to the Victorville Water District and its Improvement District No. 1.

On motion of Commissioner Mitzelfelt, duly seconded by Commissioner McCallon and carried, the Local Agency Formation Commission adopts the following resolution:

WHEREAS, an application for the proposed reorganization in the County of San Bernardino was filed with the Executive Officer of this Local Agency Formation Commission (hereinafter referred to as the "Commission") in accordance with the Cortese-Knox-Hertzberg Local Government Reorganization Act of 2000 (Government Code Sections 56000 *et seq.*), and the Executive Officer has examined the application and executed her certificate in accordance with law, determining and certifying that the filings are sufficient; and,

WHEREAS, at the times and in the form and manner provided by law, the Executive Officer has given notice of the public hearing by this Commission on this matter; and,

WHEREAS, the Executive Officer has reviewed available information and prepared a report including her recommendations thereon, the filings and report and related information having been presented to and considered by this Commission; and,

WHEREAS, the public hearing by this Commission was held upon the date and at the time and place specified in the notice of public hearing and in order or orders continuing the hearing; and,

WHEREAS, at the hearing, this Commission heard and received all oral and written protests; the Commission considered all plans and proposed changes of organization, objections and evidence which were made, presented, or filed; it received evidence as to whether the territory is inhabited or uninhabited, improved or unimproved; and all persons present were given an opportunity to hear and be heard in respect to any matter relating to the application, in evidence presented at the hearing; and,

RESOLUTION NO. 2959

WHEREAS, the Commission determines to modify this proposal to include the annexation of five separate areas to the consolidated Victorville Water District currently being served by the Victor Valley Water District but not a part of its boundaries and to include the formation of Improvement District No. 1 (boundaries of the Victor Valley Water District) and Improvement District No. 2 (boundaries of the Baldy Mesa Water District) to isolate assets, liabilities, rate structures, property tax revenues, etc. between the consolidating agencies as a function of the reorganization;

NOW, THEREFORE, BE IT RESOLVED, that the Commission does hereby determine, resolve, order, and find as follows:

DETERMINATIONS:

SECTION 1. The proposal is approved subject to the terms and conditions hereinafter specified:

CONDITIONS:

Condition No. 1. The boundaries of this change of organization are approved as set forth in Exhibits A, A-1, B, B-1, C, C-1, D, D-1, E, E-1, F, F-1, G, G-1, H, and H-1 attached.

Condition No. 2. The following distinctive short-form designation shall be used throughout this proceeding: LAFCO 2991.

Condition No. 3. The effective date of the consolidation (hereafter "Effective Date") shall be fifteen (15) calendar days following completion of the protest process.

Condition No. 4. The Victor Valley Water District ("VVWD") and Baldy Mesa Water District ("BMWD") shall be consolidated into a successor county water district, to be known as the Victorville Water District ("Successor District"), and the Successor District shall be established as a subsidiary district of the City of Victorville, subject to the terms and conditions contained herein.

Condition No. 5. The Successor District, the Victorville Water District, shall function under, and carry out all authorized duties and responsibilities assigned to a county water district as outlined in California Water Code Sections 30000 et seq. and other applicable laws. Upon the Effective Date of this reorganization, the legal existence of the VVWD and BMWD shall cease, except as otherwise required by law, and the Successor District shall succeed to all rights, duties, responsibilities, properties (both real and personal), contracts, equipment, assets, liabilities, obligations, functions, executory provisions, entitlements, permits and approvals of VVWD and of BMWD.

Condition No. 6. Pursuant to agreement between the City Council of the City of Victorville, as the designated governing body of the Successor District, VVWD and BMWD, an Employee Transition Plan (the "Transition Plan") has been provided to LAFCO, attached as Exhibit I to this resolution, detailing how the reorganization shall not adversely affect or impair the status of employees of the predecessor VVWD or BMWD. As specified in the Transition Plan, as of the Effective Date of this reorganization, all full-time employees of the VVWD and BMWD shall become full-time employees of the City of Victorville, with assignment of ninety-three (93) specific filled positions to the Successor District and seventeen (17) specific filled positions assigned to City departments. Pursuant to amended and restated Resolution No. 07-037 (Exhibit J), the City of Victorville shall charge the Successor District for all costs associated for all employees assigned to the Successor District. Current rates of pay, accrued vacation and sick leave, vacation and sick leave accrual rates, employee rights, seniority rights, insurance, retirement benefits, and all other benefits and programs now provided employees pursuant to existing contracts shall continue at a level not less than that currently enjoyed, with the exception of the VVWD lifetime medical benefits for retired employees and spouses. Transferred VVWD employees, employed by VVWD prior to August 2003, will have the option of receiving the City's standard Retirement Medical coverage, as outlined in the Transition Plan, as it may be amended in the future, and will be provided a one-time pay-out amount of \$10,000 within 30 days of the Effective Date of this change or retention of their existing benefit (a defined liability of VVWD) [Government Code Section 56886(l)].

RESOLUTION NO. 2959

Condition No. 7. The service area/territory of VVWD, on the Effective Date of this reorganization, shall be formed as the Victorville Water District Improvement District No. 1; and the service area/territory of BMWD, on the Effective Date of this reorganization, shall be formed as the Victorville Water District Improvement District No. 2. The areas proposed to be annexed by this reorganization shall also be included in the Victorville Water District Improvement District No. 1. The Successor District, on behalf of the Improvement Districts, shall establish and maintain separate accounts for the purpose of keeping separate the existing assets and liabilities, including, but not limited to, capital funds, property taxes, assessments and debt obligations of VVWD and BMWD, as set forth in the City of Victorville's amended and restated Resolution No. 07-037 (Exhibit J) and the Agreement for Transfer of Assets, Liabilities, Contractual Rights and Obligations (Exhibit K). The operational facilities of VVWD and BMWD shall be transferred to Successor District Improvement Districts Nos. 1 and 2, respectively.

Condition No. 8. The Successor District shall accept all system facilities transferred from the VVWD and the BMWD in "as is" condition, without any payment or repair obligation from the assets of either the VVWD or the BMWD [Government Code Section 56886(h)]. All system facilities and incidental liabilities, such as accounts payables, contract obligations and customer deposits, shall be transferred by the Successor District to the appropriate Improvement District of the Successor District. All assets including, but not limited to, cash reserves, buildings and other real property, water production equipment (pumps, storage tanks, etc.), transmission lines and rights-of-way, rolling stock, tools, and office furniture, fixtures and equipment, all lands, buildings, real and personal property, and appurtenances held by the VVWD and BMWD shall be transferred to the appropriate Improvement District of the Successor District as of the Effective Date of this reorganization [Government Code Section 56886(h)].

The debt obligations of BMWD (including, but not limited to, Assessment District #1, Assessment District #2R, Certificates of Participation, Notes Payable) shall remain with the ratepayers obligated to repay those debts through assignment to Successor District Improvement District No. 2.

These obligations and transfers have been outlined and agreed to by the City of Victorville, VVWD and BMWD by adoption of the "Agreement for the Transfer of Assets, Liabilities, Contractual Rights and Obligations" attached as Exhibit K to this resolution.

Condition No. 9. VVWD's existing rates, fees, taxes, assessments and charges shall continue as Victorville Water District Improvement District No. 1's existing rates, fees, taxes, assessments and charges; and BMWD's existing rates, fees, taxes, assessments and charges shall continue as Victorville Water District Improvement District No. 2's existing rates, fees, taxes, assessments and charges in the same manner as provided in the original authorization pursuant to Government Code Section 56886(t). Both sets of rates, fees, taxes, assessments and charges shall remain in effect until the Board of Directors of the Successor District shall have duly adopted a uniform schedule for rates, fees, taxes, assessments and charges, which does not impose upon the customers of either Successor District Improvement District No. 1 or Improvement District No. 2 the burdens assumed by the predecessor of the other, for bonds or other burdens of service.

Condition No. 10. Adoption of Uniform Schedule for Rates, Fees, Taxes, Assessments and Charges -- All previously authorized rates, fees, taxes, assessments, and/or charges currently in effect by the VVWD and BMWD shall be continued for a period of 24 months or until a rate restructuring plan is approved by the Successor District as authorized pursuant to Government Code Section 56886(t).

Condition No. 11. Until duly revised by the Successor District, and unless otherwise expressly provided herein or legally required, VVWD's ordinances, resolutions, policies, procedures and practices existing on the Effective Date shall govern the activities and affairs of the Successor District Improvement District No. 1. Until duly revised by the Board of Directors of the Successor District, and unless otherwise expressly provided herein or legally required, BMWD's ordinances, resolutions, policies, procedures and practices existing on the Effective Date shall govern the activities and affairs of the Successor District Improvement District No. 2. The Board of Directors of the Successor District shall expeditiously review and ratify the ordinances, resolutions, policies, procedures and practices adopted hereby, making such revisions as it shall deem appropriate.

Condition No. 12. The Successor District shall succeed to all water and capacity rights and interests of VVWD and BMWD, whether wholly or partially owned or held by either or both of them, and shall succeed to the priorities of use or rights of use of water or capacity rights in any public improvements or facilities or any other

RESOLUTION NO. 2959

property, whether real or personal, to which either VVWD or BMWD is entitled to on the Effective Date. The Successor District shall specifically succeed to all rights and interests held or claimed by VVWD and/or BMWD under the Judgment entered (including all documents constituting the Physical Solution, as from time to time existing) in City of Barstow, etc., et al. v. City of Adelanto, etc., et al., and Related Cross Actions, Riverside County Superior Court Case No. 208568 (the "Mojave Basin Area Adjudication"), including those from time to time set forth in Table B-1, to the Judgment.

The Successor District shall also specifically succeed to all rights and interests held or claimed by VVWD and BMWD under all agreements and memoranda of understanding with the Department of the Interior, the Bureau of Land Management, the United States Geological Survey, the California Department of Fish and Game, the California Water Quality Control Board and the Regional Water Quality Control Board for the Lahontan Region, the California Department of Health Services, the Mojave Water Agency, the County of San Bernardino, the City of Adelanto, the City of Hesperia, the City of Victorville, the Town of Apple Valley, the Apple Valley Ranchos Water Company, the Southern California Logistics Airport Authority, the Victor Valley Wastewater Reclamation Authority, the Victor Elementary School District, the Victor Valley Union High School District, the High Desert Power Project (or any of its related entities), Southern California Edison, and any other public agency or private entity with which either the VVWD or the BMWD has an agreement or memorandum of understanding. The Successor District shall also assume all joint use flow agreements and maintenance agreements [Government Code Section 56886(j) (r)]. Amendments of existing agreements shall be completed prior to the Effective Date to address any changes in service [Government Code Section 56886(r) (v)].

Condition No. 13. The appropriation limit of the consolidated Successor District shall be the aggregate appropriation limit of the two consolidating Districts, VVWD and BMWD, estimated to be \$1,742,694.

Condition No. 14. The Successor District and its Improvement Districts shall succeed to all rights, duties and obligations of VVWD and BMWD with respect to the enforcement, performance or payment of any outstanding bonds, including revenue bonds, or other contracts and obligations of VVWD and/or BMWD and/or its community facility districts on the Effective Date. This consolidation shall not impair any rights of any bondholder or creditor of VVWD or BMWD.

Condition No. 15. As of the date of approval of the subject action by LAFCO through the Effective Date and pursuant to the provisions of Government Code Section 56885.5(a)(4), VVWD and BMWD shall each be prohibited from taking the following actions unless it first finds an emergency situation exists as defined in Government Code Section 54956.5:

a. No increase in compensation or benefits:

Providing any increase in compensation or benefits for members of the governing board, its officers, staff or the executive officer of VVWD and/or BMWD. Exceptions to this prohibition include planned and budgeted merit and range increases for either District, as identified in the adopted budget.

b. Bound by current budget:

Appropriating, encumbering, expending or otherwise obligating any revenue of VVWD and/or BMWD beyond that provided in the current budget at the time of Commission approval.

Condition No. 16. Implementation of changes of organization:

a. Implementation Jurisdiction:

LAFCO shall retain jurisdiction, subject to the statutory rights of VVWD and BMWD as set forth in Government Code Section 56853, to hear and amend, to the extent necessary and appropriate, any Terms and Conditions to which protests have been duly made; any Terms and Conditions which require the agreement of VVWD and BMWD and/or any other public agency or entity having or claiming rights affected by this consolidation; or which pertain to the proper implementation of the consolidation and its Terms and Conditions.

RESOLUTION NO. 2959

b. Protest Rights:

The protest period for these Terms and Conditions shall not be less than thirty (30) calendar days. The protest period for all other aspects of the reorganization to include consolidation under LAFCO 2991 as modified shall be thirty (30) days.

Condition No. 17. The City of Victorville, as the applicant for this reorganization, shall indemnify, defend, and hold harmless the Commission from any legal expense, legal action, or judgment arising out of the Commission's approval of this proposal, including any reimbursement of legal fees and costs incurred by the Commission.

SECTION 2. Pursuant to the requirements of Government Code Section 57105, the Commission makes the following determinations:

- a. The portion of the land area of the consolidated District within the City of Victorville exceeds 70% of its total land area; and,
- b. The number of registered voters of the consolidated District within the City of Victorville exceeds 70% of the total voters of the consolidated District.

Therefore, upon the Effective Date of this change, the Successor District, the Victorville Water District, is established as a subsidiary district of the City of Victorville.

SECTION 3. FINDINGS. The following findings are noted in conformance with Commission policy:

1. The reorganization area has been certified by the County Registrar of Voters office as being legally inhabited, with a total of 33,571 registered voters, as of July 12, 2005. The certification as to the number of voters within the individual areas within the consolidation proposal is outlined as follows:

a.	Total within the Baldy Mesa Water District	7,745 Voters
b.	Total within the Victor Valley Water District	25,826 Voters
c.	Total within the City of Victorville	31,247 Voters
2. The County Assessor has indicated that the valuation of land and improvement for the consolidated District is \$3,818,076,101 (\$1,007,533,194 land; \$2,810,542,907 improvements) for Fiscal Year 05-06. Individual valuations are:
 - a. Baldy Mesa Water District has a total valuation of \$940,016,516 (\$258,691,782 land and \$681,324,734 improvements)
 - b. Victor Valley Water District has a total valuation of \$2,878,059,585 (\$748,841,412 land and \$2,129,218,173 improvements)
3. The reorganization area is within the consolidated sphere of influence as assigned through approval of the companion proposal identified as LAFCO 3057.
4. Notice of this hearing was published in The Daily Press and The Sun, newspapers of general circulation in the area as required by law. Individual notice has been provided to affected and interested agencies, County departments, and those individuals and agencies having requested such notification.
5. Pursuant to Commission policy, individual notice was not provided for the proposal as allowed under Government Code Section 56157. In keeping with the Commission's policy, notice was provided by placing a display advertisement of at least one-eighth page in a newspaper of general circulation within the

RESOLUTION NO. 2959

reorganization area. Comments from landowners, registered voters, and any affected local agency have been reviewed and considered by the Commission in making its determination. Protest has been received and considered by the Commission in making its determinations.

6. The reorganization proposal has no direct effect on the County General Plan or the General Plan of the City of Victorville.
7. Upon reorganization, which includes consolidation, the Successor District, the Victorville Water District, will extend its services to residents, landowners and governments within its boundaries. The Plan for Service submitted by the City of Victorville provides a general outline of the delivery of service as mandated by Government Code Section 56653. The Plan indicates that the consolidated District can maintain and/or improve the level and range of services available to the reorganization area. The Plan for Service has been reviewed and compared with the standards established by the Commission and the factors contained within Government Code Section 56668. The Commission finds that such Plan conforms to those adopted standards and requirements.
8. The area in question is presently served by a number of local agencies, a complete listing of which is on file in the LAFCO office. None of these other agencies will be directly affected by the completion of this reorganization.
9. The consolidation proposal complies with Commission findings in its service reviews/sphere of influence updates for the affected agencies that a single water district serving the Victorville community would be appropriate. The annexation of the five areas identified in the reorganization complies with Commission policies which indicate that areas receiving service should be a part of the service provider, which allows for a more efficient and effective service delivery pattern.
10. The Local Agency Formation Commission has determined that this proposal is statutorily exempt from environmental review since it does not have the potential for resulting in physical changes in the environment, directly or ultimately, or any adverse environmental impacts (Section 15061(b)(3) of the State Guidelines for the California Environmental Quality Act). The basis for this determination is that approval of the consolidation of the two Water Districts, including the consolidated District's establishment as a Subsidiary District of the City of Victorville, the annexation to the consolidated District of the five island areas currently being serviced by the Victor Valley Water District, and formation of the two Improvement Districts, will not result in any changes in land use or changes in the existing physical environment. Therefore, without any identifiable physical changes, this proposal does not constitute a project and is not subject to environmental review under the provisions of the State CEQA Guidelines sections cited above or the Commission's adopted CEQA Guidelines.

The Commission adopted the Statutory Exemption and directed its Clerk to file a Notice of Exemption within five (5) days with the San Bernardino County Clerk of the Board of Supervisors.

11. The reorganization area can benefit from the consolidation through the economies of scale available, the efficient delivery of service to the community of Victorville, and the coordination of efforts in conjunction with other water retailers and wholesalers to address supply deficiencies in the region.
12. The County of San Bernardino has determined that there will be no exchange of property tax revenues for the annexations proposed by this reorganization upon completion of this action and that the consolidation will transfer \$308,050 in property tax revenues from the BMWD to Improvement District No. 2 of the Victorville Water District. This negotiated agreement fulfills the requirements of Section 99 of the Revenue and Taxation.
13. Maps and legal descriptions, as revised, are in substantial compliance with LAFCO and State standards through certification by the County Surveyor's Office.

SECTION 4. Approval by the Local Agency Formation Commission indicates that completion of this proposal would accomplish the proposed change of organization in a reasonable manner with a maximum chance of success and a minimum disruption of service to the functions of other local agencies in the area.

REORGANIZATION TO INCLUDE CONSOLIDATION OF THE BALDY MESA WATER DISTRICT AND VICTOR VALLEY WATER DISTRICT, TO BE KNOWN AS THE VICTORVILLE WATER DISTRICT, ESTABLISHMENT AS A SUBSIDIARY DISTRICT OF THE CITY OF VICTORVILLE, FORMATION OF IMPROVEMENT DISTRICT NO. 1 (VICTOR VALLEY WATER DISTRICT BOUNDARIES) AND IMPROVEMENT DISTRICT NO. 2 (BALDY MESA WATER DISTRICT BOUNDARIES), AND ANNEXATION OF FIVE SEPARATE AREAS TO THE VICTORVILLE WATER DISTRICT AND IMPROVEMENT DISTRICT NO. 1

Exclusion Area 1 contains 6.73 acres, more or less

EXCLUSION AREA 2:

ALSO EXCEPTING THEREFROM a portion of that certain parcel of land lying in the North one-half of Section 30, Township 6 North, Range 4 West, San Bernardino Base and Meridian, San Bernardino County, State of California, as conveyed to Charles M. Elario, a single man, and evidenced by deed recorded in Book 2614 of Official Records, Page 226, on July 31, 1950, in Recorder's office in aforesaid

County; said portion being particularly described as:

Beginning at a point on the South line of the aforesaid North one-half of Section 30, distant 1678.8 feet North 89°13' West from the Southeast corner of said North one-half of Section 30;

[1] thence North 00°19' East a distance of 250 feet;

[2] thence North 89°13' West a distance of 871.20 feet;

[3] thence South 00°19' West a distance 250 feet to a point on the South line of the North one-half of said Section 30; thence South 89°13' East along aforesaid South line of the North one-half of Section 30; a distance of 871.20 feet to the point of beginning.

Exclusion Area 2 contains 5.0 acres, more or less

EXCLUSION AREA 3:

ALSO EXCEPTING THEREFROM all that portion described as follows:

Beginning at the intersection of the Easterly right-of-way line of the Atchison, Topeka, and Santa Fe Railroad and the North line of Section 27, Township 5 North, Range 4 West;

[1] thence Southerly along the Easterly right-of-way line to the intersection of the North line of the South one-half of the South one-half of the Northeast one-quarter of said Section 27

[2] thence West along said North line to the West line of the East one-half of the Northwest one-quarter of the Southwest one-quarter of the Northeast one-quarter of said Section 27;

[3] thence North along the said West line to the North line of the South one-half of the North one-half of the South one-half of the Northwest one-quarter of said Section 27;

[4] thence West to said North line to the centerline of Hesperia Road, as it existed on August 1, 1969;

[5] thence North along the centerline of Hesperia Road to the North line of the South one-half of the South one-half of the North one-half of the

Northwest one-quarter of said Section 27;

- [6] thence East along said North line to the West line of the East one-half of the Northwest one-quarter of said Section 27;
- [7] thence North along said West line to the south line of the North one-half of the North one-half of the Northwest one-quarter of said Section 27;
- [8] thence east along said south line to a line 435.00 feet West, measured at a right angle from and parallel to the North-South center section line of said Section 27;
- [9] thence North along said line to the North line of said Section 27;
- [10] thence East along said North line to the Easterly right-of-way line of the Atchinson, Topeka, and Santa Fe Railroad, also the **Point of Beginning**.

Exclusion Area 3 contains 98 acres, more or less

BALDY MESA WATER DISTRICT (B.M.W.D)

Those portions of Townships 4 and 5 North, Ranges 4, 5 and 6 West, San Bernardino Meridian, in the County of San Bernardino, State of California, described as follows:

B.M.W.D. AREA 1:

Beginning at the intersection of the West line and the North line of the South half of Section 23, Township 5 North, Range 6 West San Bernardino Meridian;

- [1] thence East along the North line of the South one-half of Sections 23 and 24 to the West line of the South one-half of Section 19, Township 5 North, Range 5 West San Bernardino Meridian;
- [2] thence continuing East along the North line of the South one-half of Sections 19, 20, and 21 to the West line of Section 22, Township 5 North, Range 5 West, San Bernardino Meridian;
- [3] thence South along section lines to the North line of the South one-half of Section 27, Township 5 North, Range 5 West;
- [4] thence East along said North line to the West line of Section 26, Township 5 North, Range 5 West;
- [5] thence South along said West line to the South line of said Section 26; Township 5 North, Range 5 West;
- [6] thence East along said South line to the West line of Section 36, Township 5 North, Range 5 West;
- [7] thence South along said West line to the south line of said Section 36, Township 5 North, Range 5 West;
- [8] thence East along said South line and the South line of Section 31,

Township 5 North, Range 4 West to the centerline of Interstate Highway 15;

- [9] thence Southwesterly along said centerline to the South line of the North one-half of the North one-half of Section 14, Township 4 North, Range 5 West;
- [10] thence West along said South line and South line of the North one-half of the North one-half of Section 14, Township 4 North, Range 5 West to the East line of the West one-half of the East one-half of said Section 15;
- [11] thence South along said East line to the centerline of the California Aqueduct;
- [12] thence Northwesterly along said centerline to the East line of Section 8, Township 4 North, Range 5 West;
- [13] thence North along said East line to the North line of said Section 8;
- [14] thence West along said North line to the East line of the West one-half of said Section 8;
- [15] thence South along said East line to the South line of the North one-half of said Section 8;
- [16] thence West along said South line to the East line of the West one-half of the West one-half of said Section 8;
- [17] thence North along said East line to the North line of the South one-half of the South one-half of the South one-half of the North one-half of said Section 8;
- [18] thence West along said North line to the East line of Section 7, Township 4 North, Range 5 West;
- [19] thence South along said East line to the South line of the North one-half of Section 7;
- [20] thence West along said South line to the East line of Section 12, Township 4 North, Range 6 West;
- [21] thence continuing West along the South line of the North one-half of Sections 12 and 11 to the East line of the West one-half of the East one-half of said Section 11;
- [22] thence North along said East line to the North line of the South one-half of the North one-half of said Section 11;
- [23] thence West along said North line to the West line of said Section 11;
- [24] thence North along Section lines to the **Point of Beginning**.

The area contains 17,405 acres, more or less

B.M.W.D. AREA 2:

Also included is the Southwest one-quarter of the Southwest one-quarter of Section 12, Township 4 North, Range 6 West, San Bernardino Meridian.

FORMATION OF IMPROVEMENT DISTRICT NO. 1

AREA 1:

Those portions of the following Sections of Township 6 North, Range 5 West: 1 through 3, 10 through 15, 22 through 27, 35 and 36; and those portions of the following Sections of Township 6 North, Range 4 West: 19, 24 and 26 through 34; and portions of the following Sections of Township 5 North, Range 4 West: 3 through 10, 15 through 22 and 27 through 34; and portions of the following Sections of Township 5 North, Range 5 West: 1, 10 through 15, 22 through 27 and 36; All of San Bernardino Meridian in the County of San Bernardino, State of California described as follows:

Beginning at the West one-quarter corner of Section 22, Township 5 North, Range 5 West;

- [1] thence Northerly along the West lines of Sections 22, 15, and 10, Township 5 North, Range 5 West, to the Northwest corner of said Section 10;
- [2] thence Easterly along the North lines of Sections 10 and 11, Township 5 North, Range 5 West, to the Northeast Corner of said Section 11;
- [3] thence Northerly along the West line of Section 1, Township 5 North, Range 5 West, to the Northwest corner thereof;
- [4] thence West along the North line of Section 2, also the North line of Township 5 North and the South line of Township 6 North to the South one-quarter corner of Section 35, Township 6 North, Range 5 West;
- [5] thence Northerly along the North-South centerline of said Section 35 to the North one-quarter corner thereof;
- [6] thence Westerly along the South line of Section 26, Township 6 North, Range 5 West to the Southwest corner thereof;
- [7] thence West along the South line of Section 27 to the East line of the West one-half of the West one-half of the Southwest one-quarter;

- [8] thence North along the East line of the West one-half of the West one-half of the Southwest one-quarter to the Northeast corner of the West one-half of the West one-half of the Southwest one-quarter;
- [9] thence West along the North line of the Southwest one-quarter to the West one-quarter corner of said Section 27;
- [10] thence Northerly along the West line of said Section to the Northwest corner thereof and thence continuing Northerly from said Northwest corner of Section 27 along the West line of Section 22, Township 6 North, Range 5 West to the Northwest corner thereof;
- [11] thence Easterly along the North line of said Section 22 to the North one-quarter corner thereof;
- [12] thence continuing Easterly along the North line of said Section 22 a distance of 537.000 feet, as shown on Record of Survey recorded in Book 65 pages 98-102;
- [13] thence North $00^{\circ}20'13''$ West per Record of Survey in Book 65 pages 98-102 a distance of 5330.23 feet to the North line of Section 15;
- [14] thence West along the North line of said section to the North one-quarter corner thereof;
- [15] thence North along the North/South centerline of Section 10 and 3 to the North one-quarter of said Section 3;
- [16] thence East along the North line of Section 3, Section 2 and Section 1 in Township 6 North, Range 5 West to the North one-quarter corner of Section 1;
- [17] thence Southerly along the North-South Center Section line of said Sections 1 and 12 to an intersection with a line that is parallel, concentric, and 500 feet Westerly of the following described line: Commencing at the Northeast corner of said Section 12; thence South $89^{\circ}30'30''$ West along the North line of said Section 12 a distance of 2166.32 feet to the True Point of Beginning; thence South $00^{\circ}44'22''$ East a distance of 68.69 feet to the beginning of a tangent curve concave to the East and having a radius 14,500 feet and a

- central angle of $07^{\circ}40'17''$; thence Southeasterly along said curve an arc distance of 1941.42 feet;
- thence tangent to said curve South $08^{\circ}24'39''$ East a distance of 6043 feet more-or-less to a point of termination on the East/West Center Section line of said Section 13;
- [18] thence Southerly along the aforesaid described parallel and concentric line to a point of intersection with said East-West center section line of said Section 13;
- [19] thence Easterly along said East-West line to a point that is distant 1605 feet East of the center of said Section 13;
- [20] thence Southeasterly along a line to a point on the South Section line of said Section 13 that is distant 553.92 feet West of the southeast corner of said Section 13;
- [21] thence Southeasterly along a line to a point on the East Section line of said Section 24 and distant 850 feet South of the Northeast corner of said Section 24;
- [22] thence Southeasterly along a line to the South one-quarter corner of said Section 19;
- [23] thence Southerly along the North/South Center Section line of said Section 30 a distance of 450 feet;
- [24] thence Westerly parallel with the North line of said Section 30 to a point that is distant 843.07 feet East of the West section line of said Section 30;
- [25] thence South $15^{\circ}22'35''$ East a distance of 469.28 feet to a point on a line parallel with and distant 900 feet South of the North Section line of said Section 30, said point being distant 968.17 feet East of the West Section line of said Section 30;
- [26] thence Easterly along said parallel line to its intersection with the East line of the West one-half of the East one-half of said Section 30;
- [27] thence Southerly along said East line to the centerline of the Mojave River as it existed on August 15, 1973;

- [28] thence Southerly and Easterly along the centerline of said river to an intersection with the centerline of National Trails Highway;
- [29] thence Northerly along the centerline of said Highway to an intersection with the North line of Section 30, Township 6 North, Range 4 West, San Bernardino Meridian;
- [30] thence East along the North line of Sections 30, 29, 28, 27 and 26 to the North one-quarter corner of said Section 26;
- [31] thence Southerly along the North-South Center Section line of said Section 26 to an intersection with the centerline of Interstate Highway 15;
- [32] thence Southwesterly along said centerline of Interstate Highway 15 to an intersection with the West line of the East one-half of the East one-half of Section 34, Township 6 North, Range 4 West;
- [33] thence Southerly along said West line to the North line of Section 3, Township 5 North, Range 4 West;
- [34] thence Westerly along said North line to an intersection with the West line of the East one-half of the East one-half of said Section 3;
- [35] thence Southerly along the East one-sixteenth lines of Sections 3 and 10, Township 5 North, Range 4 West, to an intersection with the Southerly right-of-way line of State Highway 18;
- [36] thence westerly along said right-of-way line to an intersection with the Southwesterly right-of-way line of the Atchison, Topeka and Santa Fe Railroad;
- [37] thence Southeasterly along said railroad right-of-way line to an intersection with the North-South Center Section line of said Section 10;
- [38] thence Southerly along the North-South Center Section line of said Section 10 to the South one-quarter Corner thereof;
- [39] thence along the Northerly, Westerly and Southerly boundary lines of Parcels 2 and 3 as shown on Parcel Map 5066, Parcel Map Book 46, pages 16-17, Records of said San Bernardino County, the following courses:
- thence South 89°37'11" West along the South line of Section 15 a distance of 1329.65 feet;

PRESENTATION OF REQUEST TO APPROVE THE WATER DISTRICT
EMPLOYEE TRANSITION PLAN AND TRANSFER AGREEMENT AND TO DIRECT
STAFF TO FILE DOCUMENTS WITH LAFCO

Assistant City Attorney de Bortnowsky noted that there were very minor, non-substantive changes that had been made to the transfer agreement.

It was moved by Councilmember Hunter, seconded by Councilmember Cabriaes, to approve the water district employee transition plan and the transfer agreement, as amended; motion carried unanimously.

I, CAROLEE BATES, CITY CLERK OF THE CITY OF VICTORVILLE, DO HEREBY CERTIFY that the foregoing is a true and correct excerpt from the minutes of the regular meeting of the City Council of the City of Victorville held on April 17, 2007, the original of which is on file in the office of the City Clerk.

Transition Plan

Introduction

The City of Victorville (the City) seeks to consolidate the Victor Valley Water District and Baldy Mesa Water District (water districts) and desires to have all water district employees employed with the City.

The City has worked diligently to develop a plan that will be beneficial to the employees, the customers, and the City. Below is an action plan the City will take to assure the employees' well being.

Employment

The transition plan has evolved over the past two years, when it was first submitted to LAFCO, and will continue to be refined as new classifications are created and as promotions, retirements, and resignations change the make-up of the districts.

The City currently has 71 budgeted vacant positions in 13 departments. The majority of these positions were held vacant in anticipation of the consolidation; thus, creating more than the necessary funds to absorb the identified positions. After several revisions, we have 24 positions that will transfer to City departments (see chart below). If there is not a comparable vacant position, one will be created. We will meet with each employee to ensure the proposed job selection is consistent with their career aspirations. This will be determined after necessary documents are completed and individual meetings are conducted with those impacted.

The most recent report provided to LAFCO in March 2007 indicated that there were 112 employees with the water districts, of which 34 would be absorbed by the City and 78 would remain as part of the water district operations. After several meetings with management staff from the water districts, several changes were made, including the addition of two new positions from Victor Valley Water District and three positions from the City's water service. Currently, the employee count is as follows:

- 117 total combined water district positions, of which all jobs will be continued for all existing employees.
- The new Victorville Water District shall be comprised of 93 employees.
- A new division of Alternative Water Supply will be created within the water district (see Attachment 1 and Attachment 2). This new division will be responsible for the following new water supply facilities:
 - Percolating state water project water into the groundwater table.
 - Surface water treatment plant.

- Assisting Mojave Water Agency with the "R Cubed" project.
 - Recycled water treatment and distribution.
 - Continuing promotion and implementation of conservation.
- These projects will ensure a long-term water supply for the entire Victor Valley.

93 employees will retain their current jobs, serving the Victorville Water District as indicated below:

Salary

Employees of both existing water districts will not lose any pay. Their current pay will be maintained or elevated.

There may be employees transitioned at a higher salary than the high step in their new classification. If this is the case, those employees will be "Y" rated. This means they will not receive any salary increase until the salary for that classification catches up to their existing salary.

Salary Savings

Based on the 24 positions the City is absorbing, there will be a net savings of \$1,626,929 to the water district. This savings is a result of all 24 positions, previously paid through the water district, being absorbed into the City budget or eliminated.

Seniority

Employees of both water districts will retain their full-time hire date. This seniority will apply when calculating: Vacation leave accrual, longevity pay, sick leave payout, and retiree's medical.

Probationary Period

Only those employees of both water districts who are currently on probationary status must complete their probationary period.

Leave Accruals

Employees of both water districts will retain their compensatory time, sick time, and vacation leave balances.

Benefits

Employees of both water districts will receive the same benefits that City of Victorville employees receive. These benefits are comparable to the benefits the water districts currently provide. The City package includes:

- Cafeteria Plan for Medical, Dental and Vision- \$626 Monthly. Employee may waive benefits with proof of insurance coverage and contribute to a Deferred Compensation Plan or cash option of \$313.
- Medical: Health Net HMO, Health Net POS and Kaiser HMO. Currently, the City fully pays for the Health Net HMO family plan.

- Vacation Accrual - based on years of service: 0-5 years = 96 Hours, 6-10 years = 136 hours, 11-15 years = 176 hours, 16-20 years = 216 hours and 21+ years = 256
- Sick Leave - 96 hours accrued annually.
- CalPERS - the time employed with the Water District will remain 2% @ 55. Employees transferred to the City Plan will begin at 2.5% @ 55.
- Highest 12 months calculation
- EPMC calculation
- 4th level survivor's benefit
- No Social Security deduction – 6.2% increase in employee's pay
- Longevity Pay – After five years of service - 10% of monthly base pay – Increases by 2% every year, up to 50% of monthly pay.
- Long Term Disability - City paid insurance- 60% of monthly salary after 90 days of disability.
- Holidays- 12 Holidays, plus one floating holiday.
- Retirement Medical – HMO Health Net Single-party rate: 8-14 years of service = 25% (Payout/Buyout \$5,542.82); 15-19 years of service = 50% (Payout/Buyout \$8,313.18) 20-24 years of service = 75% (Payout/Buyout \$11,084.59); and 25 or more years of service = 100% (Payout/Buyout \$13,856.00)
- Tuition Reimbursement - Based on California State University San Bernardino rates.
- City paid Life Insurance and Accidental Death and Dismemberment - One times annual salary.
- Voluntary Life Insurance is available for employee and dependants.
- Flexible Spending Account – Voluntary program – Pre-tax deductions used for medical, dental and vision out-of-pocket expenditures, and/or Dependent day-care.
- Employee Assistance Program
- Sick Leave Buyback/Pay-out programs.

Medical Retirement Pay-out

Victor Valley Water District (VVWD) offers employees hired prior to August 1, 2003, lifetime medical benefits for retired employee and spouse, up to \$658.28 per month. The City will not continue this benefit. The City will provide all those VVWD employees hired prior to August 1, 2003, a one-time pay-out amount of \$10,000 and access to the City medical retirement plan.

Severance Pay

For those employees who choose not to seek employment with the City of Victorville, a severance agreement will be provided – Two weeks of pay for every year of service.

Closing Statement

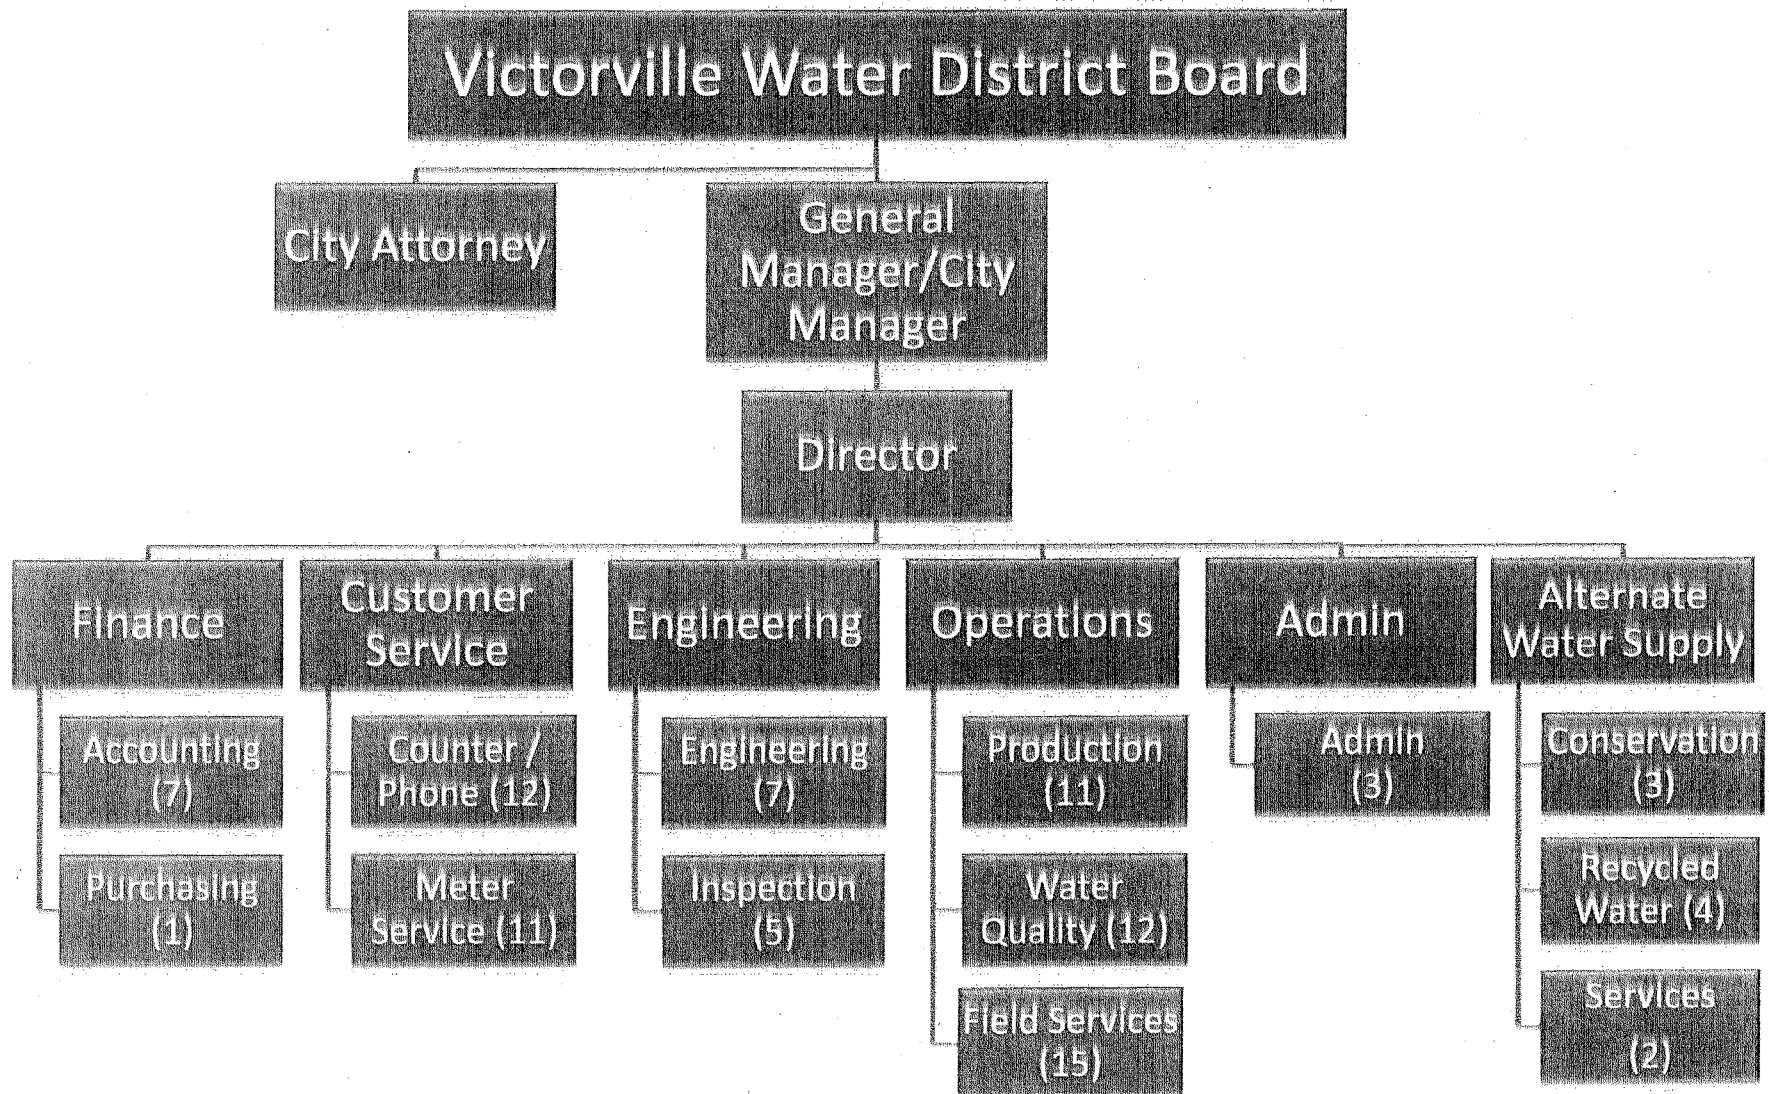

The City of Victorville believes this process will be a positive one for everyone involved; therefore, we are working closely with employees from both water districts to accomplish this goal.

As the consolidation progresses, further modification may be made with concurrence of those impacted.

AMENDED AND RESTATED RESOLUTION NO. 07-037

RESOLUTION OF THE CITY COUNCIL OF THE CITY OF VICTORVILLE, CALIFORNIA, REGARDING THE CITY'S PLAN TO CHARGE THE SUBSIDIARY WATER DISTRICT PROPOSED IN LAFCO APPLICATION 2991 AND THE SEGREGATION OF THE SUBSIDIARY DISTRICT'S FINANCES

WHEREAS, the City of Victorville (the "City") previously adopted Resolution No. 05-71, initiating proceedings for (1) the consolidation of the Victor Valley Water District and the Baldy Mesa Water District and (2) the establishment of the successor district as a subsidiary of the City (the "Application"); and

WHEREAS, the San Bernardino County Local Agency Formation Commission (the "LAFCO"), in considering the Application, has requested information from the City concerning how the City will charge the subsidiary district for services provided by the City; and

WHEREAS, the LAFCO has requested information from the City concerning the segregation of the finances of the City and the subsidiary district.

NOW, THEREFORE, THE CITY COUNCIL OF THE CITY OF VICTORVILLE DOES HEREBY RESOLVE, DETERMINE AND ORDER AS FOLLOWS:

Section 1. The foregoing recitals are true.

Section 2. Charges to the Subsidiary District.

(a) The City Council of the City (the "City Council") will charge the subsidiary district for the actual costs with respect to the use of City employees for the provision of water services, including, without limitation, the following:

- (1) the salary, including retirement and other benefits, of each employee of the City working solely for the subsidiary district; and
- (2) for any employee of the City that performs occasional work for the subsidiary district, the hourly rate, including retirement and other benefits, for any work performed for the subsidiary district; and

RECEIVED

LAFCO
San Bernardino County

- (3) costs directly related to the operation of the water system and the provision of water services; and
- (4) maintenance and repair of buildings, sites, or other property occupied and/or used by the subsidiary district.

(b) The City Council will not charge the subsidiary district for the following:

- (1) general administrative costs or overhead ; and
- (2) technical support provided by the City's Information Services to all departments or districts of the City; and
- (3) employee management and recruitment services provided by the City's Human Resources department to all departments or districts of the City; and
- (4) any other services routinely provided by the City to its departments or districts.

Section 3. Segregation of Finances.

(a) The City will maintain the subsidiary district's finances separate and apart from the City's finances, including segregation of the following: assets, liabilities, budget, development impact fees, appropriation limit, reserves, annual audits, and CAFR.

(b) All assets, buildings, equipment, materials, shall remain under the ownership of the independent subsidiary district. Any sale, transfer, or other transition of such assets shall be at fair market value with proceeds of such to be applied for the benefit of the independent subsidiary water district and its ratepayers.

(c) All revenues and receipts collected by the subsidiary district shall remain with the district.

Section 4. The Victorville Water District will be operated as an independent stand alone organization governed by the City Council of the City of Victorville, ex officio, as the Board of Directors.

Section 5. The Victorville Water District will be operated and governed in accordance with the Water code.

Section 6.Existing retirees of the Baldy Mesa Water District and Victor Valley Water District, as of the effective date of this resolution, shall continue to receive health insurance subsidies in the same manner as previously agreed upon at the time of separation from his or her respective district.

Section 7.The City Clerk shall certify to the adoption of this Resolution.

**AGREEMENT
FOR THE TRANSFER OF
ASSETS, LIABILITIES, CONTRACTUAL RIGHTS AND OBLIGATIONS**

THIS AGREEMENT (the "Agreement"), is made by and among the City of Victorville (the "City"), the Victor Valley Water District (the "VVWD"), and the Baldy Mesa Water District (the "BMWD"), sometimes hereinafter referred to as a "Party" or the "Parties," for the purpose of providing for the transfer of all assets, liabilities, contractual rights and obligations, and any other real or personal property or other interests whatsoever, from the VVWD, the BMWD and the City of Victorville to the Victorville Water District (the "Successor District"), in conjunction with LAFCO 2991, a reorganization to include consolidation of the Baldy Mesa Water District and the Victor Valley Water District to be known as the Victorville Water District and establishment of the Victorville Water District as a subsidiary district of the City of Victorville.

RECITALS:

WHEREAS, the City previously adopted Resolution No. 05-71, initiating proceedings for (1) the consolidation of the VVWD and the BMWD and (2) the establishment of the Successor District, to be known as the Victorville Water District, as a subsidiary district of the City (the "Application"); and

WHEREAS, the Local Agency Formation Commission for San Bernardino County (the "Commission"), in considering the Application, requires that the City, the VVWD, and the BMWD enter into an agreement for the transfer of all assets, liabilities, contracts, and obligations from the VVWD, the BMWD, and the City related to water service to the Successor District; and

WHEREAS, the Commission requires the formation of two improvement districts designated as (i) Improvement District #1, which shall incorporate all of the areas within the boundaries of the VVWD; and (ii) Improvement District #2, which shall incorporate all of the areas within the boundaries of the BMWD; and

WHEREAS, the City also provides water service, and has certain assets related thereto (the "City Water Assets"), which it shall also transfer to the Successor District; and

WHEREAS, immediately upon a final order by the Commission establishing the Successor District, the Parties agree that the Victorville Water District shall take all actions necessary to facilitate and enable the transfer of all of the VVWD and the BMWD assets, liabilities, contractual rights and obligations, and any other real or personal property, and the City Water Assets, to the Successor District; and

WHEREAS, the VVWD, the BMWD, and the City desire to transfer to the Successor District, all assets, liabilities, contracts, and obligations of the VVWD and the BMWD, and the City Water Assets.

NOW THEREFORE, IN CONSIDERATION OF THE COVENANTS, CONDITIONS AND PROMISES CONTAINED HEREIN, THE PARTIES AGREE AS FOLLOWS:

Section 1. RECITALS

The foregoing Recitals are true and correct and are hereby incorporated into this Agreement by this reference.

Section 2. EFFECTIVE DATE; TRANSFER DATE

This Agreement shall be effective upon execution by all parties, and all assets, liabilities, contractual rights and obligations, and any other real or personal property or any other interests whatsoever of the VVWD and the BMWD, as well as the City Water Assets, shall be transferred to the Successor District and/or the respective improvement district, in accordance with this Agreement on the date of issuance of a Certificate of Completion by the Commission ordering the establishment of the Successor District and the respective Improvement Districts (the "Transfer Date").

Section 3. VICTORVILLE WATER DISTRICT ASSET AND LIABILITY REPORT

Prior to May 5, 2007, the City, the VVWD, and the BMWD shall prepare, and file with the Commission, the Victorville Water District Asset and Liability Report (the "A&L Report"), which is incorporated by this reference, and which shall include, without limitation, the information identified in section 4, 5, and 6, of this Agreement.

Section 4. THE VVWD TRANSFERS TO THE SUCCESSOR DISTRICT

(A) TRANSFER OF THE VVWD'S ASSETS

On the Transfer Date, the VVWD shall transfer to the Improvement District #1 of the Successor District, and the Improvement District #1 shall accept from the VVWD, any and all of the VVWD's assets, capital, chattels, funds, inventories, properties, and reserves, including, without limitation, those described on the A&L Report, which is incorporated by this reference (the "VVWD Assets"). The VVWD Assets described on the A&L Report are in no way intended to be an exhaustive set of all of the VVWD's assets.

(B) TRANSFER OF THE VVWD'S LIABILITIES

On the Transfer Date, the VVWD shall transfer to the Improvement District #1 of the Successor District, and the Improvement District #1 shall accept from the VVWD, any and all of the VVWD's liabilities, debts, encumbrances, and indebtedness, including, without limitation, those described on the A&L Report (the "VVWD Liabilities"). The VVWD Liabilities described on the A&L Report are in no way intended to be an exhaustive set of all of the VVWD's liabilities.

(C) TRANSFER OF THE VVWD'S CONTRACTUAL RIGHTS AND OBLIGATIONS

On the Transfer Date, the VVWD shall transfer to the Improvement District #1 of the Successor District, and the Improvement District #1 shall accept from the VVWD, any and all of the VVWD's contractual rights and obligations, bonds, certificates of debt, promissory notes, and securities, including, without limitation, those described on the A&L Report (the "VVWD Contractual Rights and Obligations"). The VVWD Contractual Rights and Obligations described on the A&L Report are in no way intended to be an exhaustive set of all of the VVWD's contractual rights and obligations.

(D) TRANSFER OF THE VVWD'S OTHER INTERESTS

On the Transfer Date, the VVWD shall transfer to the Improvement District #1 of the Successor District, and the Improvement District #1 accept from the VVWD, any and all of the VVWD's other interests not otherwise provided for in the A&L Report (the "VVWD Other Interests").

Section 5. THE BMWD TRANSFERS TO THE SUCCESSOR DISTRICT

(A) TRANSFER OF THE BMWD'S ASSETS

On the Transfer Date, the BMWD shall transfer to the Improvement District #2 of the Successor District, and the Improvement District #2 shall accept from the BMWD, any and all of the BMWD's assets, capital, chattels, funds, inventories, properties, and reserves, including, without limitation, those described on the A&L Report (the "BMWD Assets"). The BMWD Assets described on the A&L Report are in no way intended to be an exhaustive set of all of the BMWD's assets.

(B) TRANSFER OF THE BMWD'S LIABILITIES

On the Transfer Date, the BMWD shall transfer to the Improvement District #2 of the Successor District, and the Improvement District #2 shall accept from the BMWD, any and all of the BMWD's liabilities, debts, encumbrances, and indebtedness, including, without limitation, those described on the A&L Report (the "BMWD

Liabilities"). The BMWWD Liabilities described on the A&L Report are in no way intended to be an exhaustive set of all of the BMWWD's liabilities.

(C) TRANSFER OF THE BMWWD'S CONTRACTUAL RIGHTS AND OBLIGATIONS

On the Transfer Date, the BMWWD shall transfer to the Improvement District #2 of the Successor District, and the Improvement District #2 shall accept from the BMWWD, any and all of the BMWWD's contractual rights and obligations, bonds, certificates of debt, promissory notes, and securities, including, without limitation, those described on the A&L Report (the "BMWWD Contractual Rights and Obligations"). The BMWWD Contractual Rights and Obligations described on the A&L Report are in no way intended to be an exhaustive set of all of the BMWWD's contractual rights and obligations.

(D) TRANSFER OF THE BMWWD'S OTHER INTERESTS

On the Transfer Date, the BMWWD shall transfer to the Improvement District #2 of the Successor District, and the Improvement District #2 shall accept from the BMWWD, any and all of the BMWWD's other interests not otherwise provided for in the A&L Report (the "BMWWD Other Interests").

Section 6. TRANSFER OF CITY WATER ASSETS

On the Transfer Date, the City shall transfer to the Improvement District #1 of the Successor District all of the City Water Assets, along with all related rights; provided, however, that in the event that at any time in the future the Commission takes an action to cause the establishment of an independent consolidated water district, such City Water Assets shall at such time revert and revest with the City.

The City has determined that there are no current liabilities associated with the City Water Assets.

Section 7. ACCEPTANCE BY THE SUCCESSOR DISTRICT

The City Council acknowledges and agrees that, as the governing body of the Successor District, it shall cause the Successor District and/or the Improvement Districts to accept each and every transfer of all assets, liabilities, contractual rights and obligations, and any other interests described above in sections 4(A)-(D), 5(A)-(D) and Section 6, and as set forth in the A&L Report. Acting as the governing body of the Successor District, the City Council agrees that the Successor District and/or the Improvement Districts shall fully assume all of said liabilities and obligations and further, it will require that all reasonable actions to ensure that all such liabilities and obligations are fully satisfied or discharged in a manner consistent with good governmental practices and the provisions of the Water Code.

Section 8.

IMPROVEMENT DISTRICTS

The Successor District shall assume all responsibilities necessary for implementation of Improvement District #1 and Improvement District #2 as described in the Commission Decision related to the establishment of the Successor District. The City further agrees that the City Water Assets shall become a part of Improvement District #1 as the City Water Assets are currently located within the Victor Valley Water Districts, to become Improvement District #1.

Section 9.

**COMPLIANCE WITH AMENDED AND RESTATED
RESOLUTION NO. 07-037**

The City further agrees that it shall abide by and implement the provisions of its duly adopted Amended and Restated Resolution No. 07-037 dated as of March 20, 2007.

Section 10.

EMPLOYEE TRANSITION PLAN

The Parties have prepared that certain Employee Transition Plan, which is dated April 11, 2007, and which provides for the continued employment of the VVWD's and the BMWD's existing employees without the loss of rights, salary or benefits. The Employee Transition Plan shall be submitted to the Commission prior to April 23, 2007.

Section 11.

MISCELLANEOUS PROVISIONS

- a. This Agreement (including Exhibits which are attached and incorporated by reference) constitutes the entire agreement and understanding between the Parties with respect to the subject matter hereof and is executed without reliance upon any representations or promises not contained herein.
- b. Any modification of the Agreement must be in writing and executed by all Parties, and must be approved by the Commission prior to execution by the Parties.
- c. This Agreement shall be binding not only upon the Parties but also upon their heirs, personal representatives, assigns, and other successors in interest.
- d. A waiver of any provision of this Agreement by a Party shall not be deemed a waiver of such provision either before or thereafter, nor a waiver of any other provision of this Agreement.
- e. If a Party brings a legal action to interpret or enforce this Agreement, the prevailing Party shall recover, in addition to any other relief, reasonable

attorney's fees and costs incurred in such action. In an action for other than monetary relief, the prevailing party shall be the party that most substantially achieves its litigation objectives, as determined by the court.

- f. The Agreement shall be construed as though jointly drafted by the Parties with the assistance of independent legal counsel.
- g. The undersigned represent and warrant that they have the authority to execute this Agreement on behalf of the respective Parties.
- h. This Agreement may be executed in counterparts, which, when taken together constitute an original Agreement.
- i. Facsimile signatures on this Agreement shall be deemed original.

IN WITNESS WHEREOF, the Parties hereto have caused this Agreement to be executed as of April __, 2007.

Subject: Mojave Water Agency Inventory Claim Program

Dear Mr. Lamson:

The Mojave Water Agency (MWA) has accepted your offer to purchase water under the MWA Inventory Claim Program as authorized by Resolution No. 826-06. Payment has been received and the Agency will therefore record a future claim against water that MWA previously stored in the Alto Subarea as specified in the table below. The claims you purchased may be used by Victor Valley Water District to meet future Alto Subarea Replacement Water Obligations under the Mojave Basin Area Judgment. Your ability to use the water purchased will become effective on January 1 of the Calendar Year indicated for the amounts specified.

Re: Letter Agreement for Temporary/Emergency Interconnect

Dear Jack:

The purpose and intent of this Agreement is to provide temporary and emergency supplemental water service to Tract 5041 for fire suppression and during periods when the Apple Valley Ranchos Water Company ("Ranchos" or the "Company") is conducting repair and replacement of its facilities. It is the intent of the parties that within a period of five (5) years, Ranchos will have completed the necessary improvements to its water system which will eliminate further need for emergency fire flows or interim water service by the Victor Valley Water District ("VVWD" or the "District") to Tract 5041 during construction and repairs to the system, and that this Agreement will terminate. The parties further recognize and agree that the VVWD may terminate this Agreement at any time upon a finding by the Board of Directors, reasonably made, that the water system financed by Assessment District 8 (Stoddard Wells Road) has reached or will soon reach capacity due to the development and water needs of properties within the Assessment District, and additional capacity is not available for out-of-District users.

This letter, when signed and returned by you, will serve as the agreement between the Victor Valley Water District and Apple Valley Ranchos Water Company for the installation of a temporary/emergency interconnect between the water systems of the District and the Company, on the following terms and conditions:

1. Ranchos is authorized to install, at a site designated by VVWD, an interconnect between the water distribution systems of VVWD and Ranchos, together with a meter for measuring the water flow through the interconnect and a back flow detector (collectively the "Interconnect"). A site plan of the proposed Interconnect project is attached hereto as Exhibit "A" and incorporated herein in full by this reference. Said interconnect shall be made in accordance with Exhibit "A," and

- further as set forth in and subject to the terms and conditions contained in Exhibit "B" hereto.
2. Ranchos shall install the Interconnect entirely at its own expense, using its own personnel or an independent contractor, and inspected and approved by VVWD.
 3. Prior to installation, all plans and specifications (the "Plans") for the complete installation shall be submitted to VVWD for approval, and the installation shall be in strict compliance with the Plans approved by VVWD.
 4. Ranchos shall pay VVWD for all water taken through the Interconnect at the rates established by the District for out-of-District service, which includes a service charge for a 6" meter, at the District's established rate for out of District customers, as those rates and charges may from time to time be established by the Board of Directors of the VVWD. A schedule of the District's current rates for out-of-District service is attached hereto as Exhibit "C" and incorporated herein in full by this reference. VVWD shall read the meter monthly and payment by Ranchos for water flow from VVWD to Ranchos shall be due on presentation of a statement from VVWD. Any failure by Ranchos to pay the rates and charges of the District as required pursuant to this Agreement shall result in termination of service pursuant to the termination provisions set forth in Paragraph 10 below. Termination shall result following thirty (30) days' notice in writing of the District's intent to terminate for nonpayment, and shall not relieve Ranchos of liability for any obligations incurred under this Agreement.
 5. Simultaneously herewith, Ranchos transfers to VVWD its water rights to the extent of the water used under this Agreement by assignment in form and content satisfactory to VVWD for the purpose of insuring that the water taken under this Agreement is water within the annual Free Production Allowance of Ranchos under the final judgment in City of Barstow et al v. City of Adelanto et al, Riverside County Superior Court Case No. 208568. Ranchos agrees to execute on request such additional documents as VVWD deems necessary to confirm and effect this transfer of water rights.
 6. Ranchos' right to pump water through the Interconnect shall be limited as follows: (a) for emergency fire flow, for the purpose of providing supplemental and immediately necessary fire suppression service, or emergency water service due to an unanticipated catastrophic event which has disabled Ranchos'

COPY

water service system; and/or (b) to provide supplemental water service during times when Ranchos is performing routine or scheduled repairs and/or replacement of its system. At such times as supplemental water service is anticipated to be necessary because of scheduled repairs or replacement of the system, Ranchos shall give the District at least ten (10) days' written notice of its intent to take water through the Interconnect, which notice shall provide the dates and amount of anticipated water usage through the Interconnect, and the purpose for which the water will be used. Prior written approval is required for any scheduled repairs.

7. VVWD shall have the right at all times to inspect the Interconnect and to require Ranchos to perform any necessary maintenance on the Interconnect. VVWD shall also have the right to make any necessary repairs to the Interconnect and bill Ranchos for the actual cost of making the repairs, in accordance with VVWD's established rates and charges.
8. VVWD shall have the right at all times to temporarily disconnect the Interconnect in the event of natural disaster, mechanical failure or other circumstances that may adversely affect, or may reasonably be perceived to risk adversely affecting the water supply of VVWD or create any risk to the public or to VVWD.
9. By this Agreement Ranchos agrees to defend, indemnify and hold harmless VVWD against:
 - a. All costs, expense, liability and damages attributable to the installation of the Interconnect.
 - b. All Claims related to the Interconnect or to this Agreement, made by or on behalf of any customer or other party receiving water from Ranchos, whether or not such Claims are based on water taken from VVWD through the Interconnect.
 - c. All Claims by the Mojave Water Agency or other parties that the taking of water by Ranchos resulted in production of water in excess of the Free Production Allowance of VVWD.
 - d. All Claims by property owners within Assessment District 8 (Stoddard Wells Road) that the taking of water by Ranchos from the Interconnect resulted in an infringement on or damaged their right to capacity and/or service by the VVWD.

COPY

The term "Claim" includes any cause of action, liability or demand for any cost or expense attributable to any claim, injury, damage or loss. This obligation to indemnify also includes the obligation to pay reasonable attorneys' fees and costs for defense against a Claim. This indemnification of VVWD extends to any party that is exposed to a Claim because of that party's connection to VVWD in any capacity, including but not limited to an owner, shareholder, manager, officer, director, agent or employee. This indemnity covers Claims resulting from actions or failures to act by Ranchos and its employees, agents, contractors, subcontractors, invitees and to Claims resulting from the condition or operation of the Interconnect or Ranchos' system.

10. Termination. This Agreement shall terminate upon the occurrence of first of the following:
 - a. Five (5) years from the date of this Agreement, or any mutually agreed upon written extension hereof; or
 - b. Upon delivery of written notice by the District to Ranchos of a determination, reasonably made by the Board of Directors of VVWD that water service can no longer be provided under this Agreement because capacity of Assessment District 8 (Stoddard Wells Road) has been reached or will be exceeded by virtue of new construction and development of properties within the District. Such notice shall be given at least ninety (90) days prior to termination of service pursuant to this Agreement.
 - c. At an earlier date by mutual agreement of the parties in writing.

Upon termination for any of the foregoing reasons, Ranchos agrees to remove, at its own cost and expense, the Interconnect, which includes the meter and back flow detector, and to fully and completely disconnect the Interconnect, with the tapping sleeve and valve to remain the property of the District. Should Ranchos fail or refuse to remove the Interconnect as set forth above, upon reasonable notice delivered in writing to Ranchos, District may take action to do so, and Ranchos shall be liable for all costs and expenses incurred by the District, including, but not limited to, materials, labor, attorneys' fees and costs related to enforcing the termination provisions of this Agreement.

COPY

11. For payment of \$50,580.00 as its contribution therefore, Ranchos shall be provided the use of VVWD storage facilities as set forth in Exhibit "B." To the extent Ranchos has paid for storage capacity provided by VVWD and additional facilities are constructed for that purpose, Ranchos shall be reimbursed the depreciated value of its prorated contribution to the facilities, based upon a 50-year life on the steel tank and a 20-year life on the tank coating. To the extent Ranchos has paid for additional storage facilities and additional facilities have not been constructed at the time of termination of this Agreement, Ranchos' contribution (not including interest) shall be reimbursed in full.

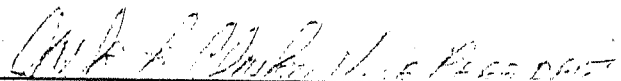

By executing this letter agreement, you represent and warrant that you have the authority to execute this Agreement on behalf of Apple Valley Ranchos Water Company and that this Agreement will be binding on Ranchos.

Sincerely,

Donald E. Songer
General Manager

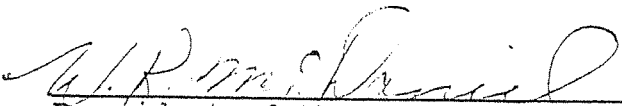

On behalf of the Apple Valley Ranchos Water Company, I hereby agree to the terms of, and cause Ranchos to enter into, this letter agreement for installation and use of the Interconnect.

EXHIBIT "B"

TEMPORARY/EMERGENCY INTER-CONNECT BETWEEN THE APPLE VALLEY
RANCHOS WATER COMPANY AND VICTOR VALLEY WATER DISTRICT

A water feasibility study dated November 5, 1996 prepared by So & Associates Engineers (District Engineer for the Victor Valley Water District) indicates that a temporary/emergency interconnection between the Apple Valley Ranchos Water Company (hereinafter referred to as "AVRW") and the Victor Valley Water District (hereinafter referred to as "VVWD") could be permitted subject to the conditions and requirements listed herein below. The interconnection is to provide mutual aide and to allow VVWD to supply emergency fire flow and temporary water supply (during special repairs and well pump replacement) to Tract 5041 currently being served by AVRW.

- (1) AVRW agrees to buy-into VVWD storage for emergency supply and fire service. This will require the up-front deposit of \$50,580 as cost share for a new storage tank. VVWD is planning to construct additional storage for its customers in the Stoddard Wells Road area since its current storage capacity may not be sufficient to meet all additional demands.
- (2) AVRW and VVWD will develop and execute an agreement to set forth procedures to direct how actual emergency fire flow is to be provided in the event of a real "fire".
- (3) AVRW will reimburse VVWD for the cost of delivering the emergency and temporary water at a pre-agreed cost.
- (4) Water used for emergency connection/fire protection at Tract 5041 shall be replaced with in-lieu water right from AVRW for VVWD to report to the Area Water Master. This is to avoid VVWD from having to pay for replenishment cost for emergency water used at Tract 5041.
- (5) Emergency connection for domestic water usage shall be limited to three (3) consecutive days. If the emergency connection for domestic usage exceeds three (3) days, special written permission from VVWD must be obtained in advance by AVRW with appropriate justifications.
- (6) This emergency/temporary water connection cannot be used to support other developments.
- (7) For the amount paid for by AVRW towards additional storage capacity provided by VVWD and actually constructed, AVRW shall be reimbursed the depreciated value of the storage facility (as set forth in the Agreement) if the emergency/temporary interconnection should be terminated. No interest will be accrued on this reimbursement consideration.
